

The FunAir Floating Shaded Lounger with a portable shade is perfect for relaxing out on the water, beach or boat deck. Fast and easy to deploy, these loungers become the go-to spot for all.

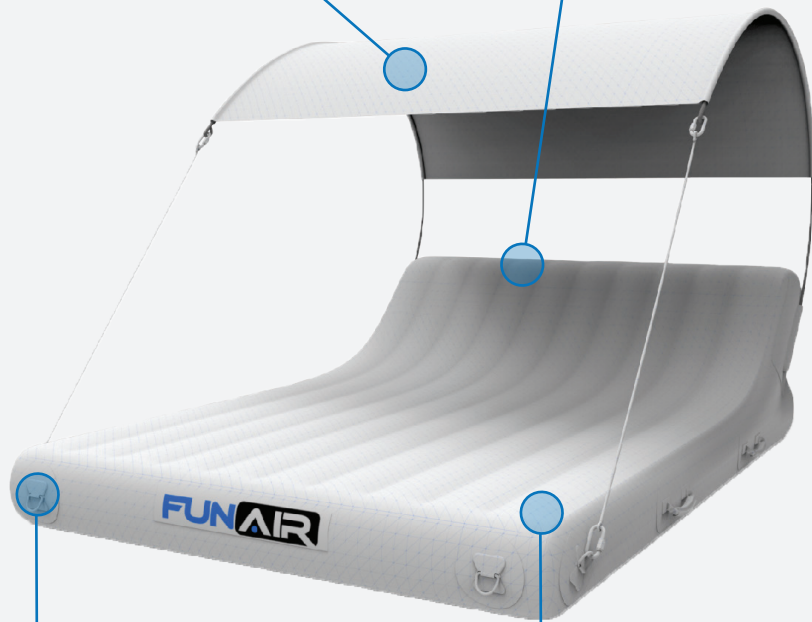

Floating Shaded Lounger

SHADE

The shade is easily clipped on to the side and stabilized with fiberglass tubes and 6 mm rope.

COMFORT DESIGN

A thin, cushy profile with a standard flat-raised back which rivals any non-inflatable lounge chairs.

ATTACHMENT D RINGS

D-rings allow you to anchor the floating lounger in water to your yacht or tender.

CUSTOM COVER READY

Custom terry cloth covers in white can be created for comfort and can be branded with your logo.
