Photo Gallery: Monaco Yacht Show 2021

27 SEPTEMBER 2021 | BY STAFF REPORT

George Sharman

After the cancellation of the 2020 show, the **Monaco Yacht Show** took over Port Hercule once again with some of the biggest and latest superyachts. For five days, attendees, captains, crew, and industry members experienced the hustle and bustle on the docks of the show.

With its new format and enforced safety regulations, the show was still a success and brought the enjoyable atmosphere we've come to know. Captains of *Boat International's* Captains Club enjoyed an evening of live acoustic music and refreshments on board Damen Yachting's support vessel *Time Off*, and when crew needed a place to rest off the boat, they could stop by the Captains & Crew Lounge in the Yacht Club de Monaco. Take a look at some of the snapshots from the show:
