Six Superyacht Toys

No superyacht is complete without a large collection of water toys. In recent years the 'toy boxes' on luxury yachts have become increasingly varied and sometimes even exotic. A selection of the best yacht toys for your superyacht toy box!

1 Rock climbing without getting dirty

This custom designed inflatable climbing wall for superyachts is perfect to challenge friends and family. You can choose between water entry or deck entry. The FunAir climbing walls come with comfort grip handholds and climbing ropes and optional auto-belay connections for advanced safety.

2 Fore!

The FunAir floating Yacht Golf green is a perfect target for playing golf from your superyacht. It's a great way to keep your skills sharp and have friendly competitions between guests. Yacht Golf comes with a genuine golf pole and flag and the greens can be designed in the shape of famous greens from around the world.

3 Jump in the air

The FunAir BigAir Blob is an exhilarating, hair-raising flying through the air experience. The guests jump onto a spot marked with an X and the force will propel anybody sitting at the other end up to 10m (!) in the air. The stabilising outriggers help to keep the BigAir Blob from rolling in the ocean swell.

4 Stylish iSUP boards

Highly manoeuvrable, stable and fast. The new YellowV starts with a range of three powerful Heartbeat Stand Up Paddling boards: for kids, adventurers and athletes. This series combine modern graphics with a distinguished high quality black PVC background. And all boards are supplied as a complete ready-to-run set.

5 Smooth & Stable

The Mirage Eclipse is another exciting watercraft from Hobie. Fly high at exceptional speed, nimbly carving turns using fingertip steering controls. There's minimal setup; go from your boat to the water in minutes. The pedalboard is lightweight and durable and full of thoughtful features. Available in 12' and 10.5' boards.

6 Level up the luxury

The FunAir Floating Island is a great way for owners and guests on board their superyacht to indulge in some relaxation out on the water. It provides ample space for six guests to float safely and comfortably. The ergonomically designed Chaise Loungers can also be removed for use on the sundeck or at the beach.
