

# Riser Slide

## RAPIDFLATE™

Patented Rapidflate inflates and deflates our slides 6x faster than traditional methods.

## INTEGRATED WATER DISTRIBUTION

Provides continuous water to keep the slide fast and wet via a simple water hose connection.

## INCREASE THE FUN

Ask about the optional Kicker Ramp

## DYNEEMA RING OPTION

Our lightest and strongest rings can replace stainless, reduce weight, and are kinder to paintwork.

## LEG SUPPORT

Added leg support for stability.

## ULTRA SLICK VINYL

Eliminates coversheet which reduces weight, pack size, and areas that could trap water to cause mould.

Designed for larger yachts wanting maximum impact. The FunAir Riser Slide delivers huge thrills from top-deck entry points in a 9.5m-plus format, combining showstopping guest excitement with smart support features that keep setup and handling manageable for crew.
