

Hanger Slide

DYNEEMA RING OPTION

Our lightest and strongest rings can replace stainless, reduce weight, and are kinder to paintwork.

INTEGRATED WATER DISTRIBUTION

Provides continuous water to keep the slide fast and wet via a simple water hose connection.

INCREASE THE FUN

Ask about the optional Kicker Ramp

RAPIDFLATE™

Patented Rapidflate inflates and deflates our slides 6x faster than traditional methods.

ULTRA SLICK VINYL

Eliminates coversheet which reduces weight, pack size, and areas that could trap water to cause mould.

Designed for yachts wanting maximum fun with minimal effort. The FunAir Hanger Slide delivers a fast, exciting ride in a 4-6.5m format, combining sleek design with ultra-light materials for the fastest, easiest deployment and compact storage onboard.

MATERIAL SPECS

Commercial grade 1000 denier PVC with FR and UV ratings, 316 stainless steel, reinforced crew-lifting handles, crane straps, non-slip material on steps.
