

Floating Shaded Island

DETACHABLE SHADES

Sleek, secure sunshade on each lounge clips on and off easily, offering UV protection for on-water lounging.

THREE FLOATING SHADED LOUNGERS

Three double-width ergonomic loungers with detachable, secure sunshades clip together to form the island.

MODULAR USE

Each Floating Shaded Lounger can be used independently on the beach, on the water, or connected to form the island.

NETTED SPLASH POOL HUB

Triangular hub features a built-in netted splash pool where guests can cool off while remaining on the island.

ATTACHMENT D RINGS

D rings allow you to anchor island in the water to your yacht or tender.

The FunAir Floating Shaded Island includes three detachable double-width shaded loungers that connect to a triangular hub with a built-in netted splash pool, creating a six-person shaded floating island. Each lounge can also be used individually on the beach or on deck.
