

Superyacht Beach Lounger

CUSTOM COVER READY

Optional velcro around the edges allows for custom logo covers to attach and stay in place.

ATTACHMENT D RINGS

D Rings allow you to anchor loungers into the sand on the beach, or attach to the FunAir Floating Island.

COMFORT DESIGN

A thin, cushy profile with a standard flat-rasied back rivals any non-inflatable lounge chair.

FunAir's innovative inflatable beach loungers are the perfect addition to your superyacht for beach excursions, movie nights on the deck or attaching to the FunAir Floating Island. Fast and easy to deploy, these loungers are easily transported on a tender to the beach and store with minimal space requirements.
