

Double Wave Lounger

DOUBLE WIDTH COMFORT

Bolstered base and extra width provide cutting-edge ergonomic comfort for two guests sunbathing side by side.

TENDER-FRIENDLY

Inflatable design lets crew bring multiple loungers to shore in a single tender trip, saving time and effort.

CUSTOM COVERS

Yacht colour scheme and logo can be added to easy-wash, velcro-on covers to protect the lounger surface.

An elevated version of the original Wave Lounger, the FunAir Double Wave Lounger features a bolstered base for extra comfort and ample space for two guests. Set-up takes just 5 minutes, and D Rings and custom covers make it equally at home at the beach or tethered to the Floating Island.

MATERIAL SPECS

Commercial grade 1000 denier PVC with FR and UV ratings, 12 oz. - 1000 denier baffling, 316 stainless steel hardware, non slip material, hot air welded seams.
