

Golf Nets

DYNEEMA RING OPTION

Our lightest and strongest rings can replace stainless, reduce weight, and are kinder to paintwork

MARINE-GRADE TPU CONSTRUCTION

Crafted from Thermoplastic Polyurethane that withstands saltwater exposure and UV rays for lasting durability.

REMOVABLE INNER SHIELD

State-of-the-art replaceable shield dampens ball impact and protects the netting for extended product life.

BALL COLLECTION SYSTEM

Innovative funnel-and-pouch system catches every shot and returns balls neatly to the golfer for non-stop practice.

FunAir Inflatable Golf Nets — the GeoDome and Cube — let superyacht guests practise with any golf ball over the ocean. Designed in partnership with Off the Deck, both nets feature removable inner shields, ball-return pouches, and weight bags for stability on open water.
