

# Sports Court

## MODULAR AND COMPACT DESIGN

Configure based on guest requirements and deploy only the sections needed. The netting design packs down smaller than expected, maximising storage efficiency.

## MULTI-SPORT VERSATILITY

The Sports Court supports a multitude of sports. One system, endless gameplay options for every guest preference.

## DYNEEMA RING OPTION

Supplied with soft loop fittings as standard, with an optional upgrade to Dynema Rings, our lightest and strongest rings which reduce weight.

## CUSTOM DECK INTEGRATION

Engineered to fit your existing deck layout and space constraints. Maximizes unused areas while maintaining yacht aesthetics and functionality.

The FunAir Sports Court is a fully enclosed, inflatable multi-sport court that transforms yacht decks into a playing surface for basketball, volleyball, badminton, pickleball, futsal and beyond.

### MATERIAL SPECS

Commercial grade 1000 denier PVC with FR and UV ratings, hot air welded seams, soft loop fittings, no-rot netting and ropes.

### SET-UP TIME
