

SuperDock

FLEXIBLE CONFIGURATION AND DEPLOYMENT

Choose which sections to deploy based on your guests' needs. Custom-engineered to fit your deck layout and accommodate any combination of watersports equipment.

BEACH CLUB INTEGRATION

Optionally includes Beach Club Sea Pool with Wave Loungers for a luxury poolside experience off the stern.

SEASTAIRS OPTION

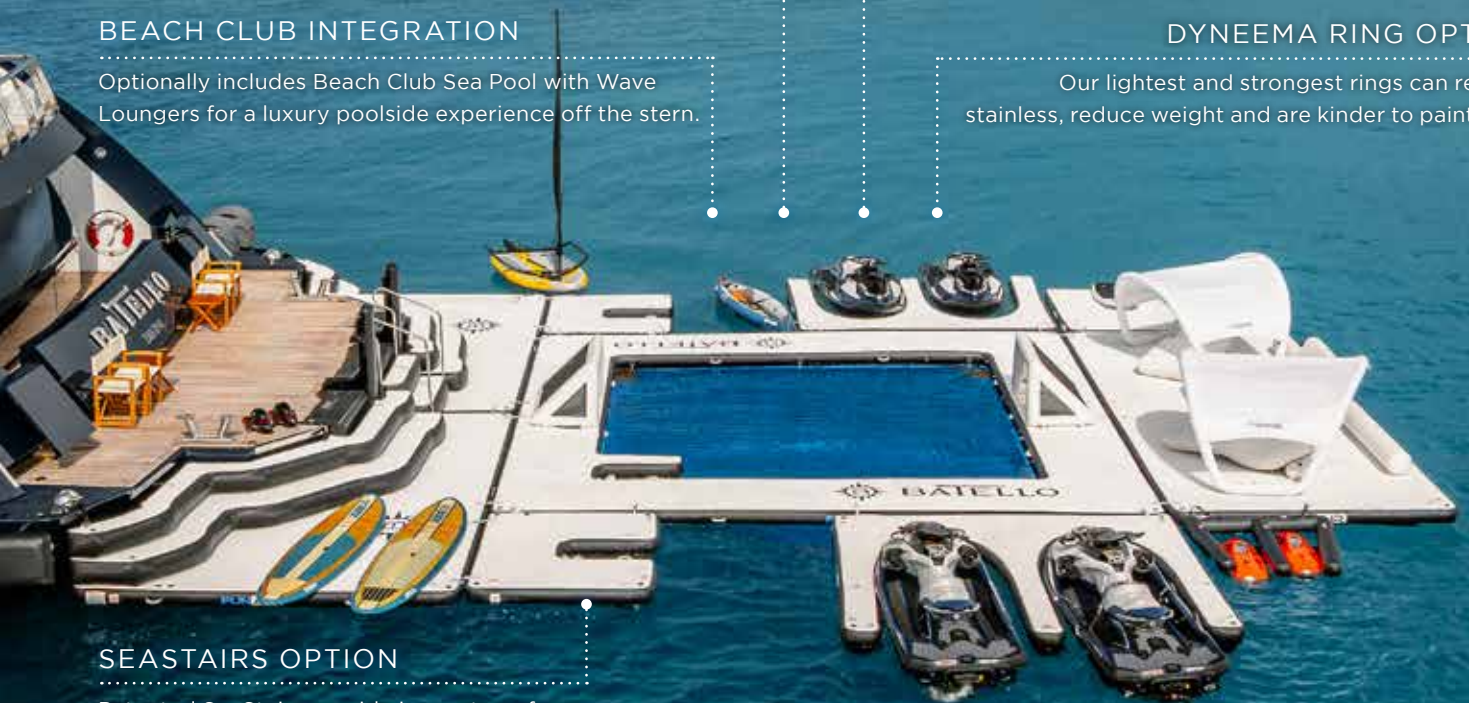

Patented SeaStairs provide innovate, safe water access for guests of all ages.

DESIGNED FOR MINIMAL HANDLING AND STORAGE

Each modular section is designed for simple handling, quick cleaning, and space-efficient storage. Built to work seamlessly together or independently.

DYNEEMA RING OPTION

Our lightest and strongest rings can replace stainless, reduce weight and are kinder to paintwork.

The FunAir SuperDock is a massive, fully bespoke inflatable docking platform with virtually no size limits. Custom configured to house jet skis, tenders, sea planes, Seabobs, water sports equipment and a Beach Club Sea Pool — built in modular sections for flexible configurations, easy crew handling and storage.

MATERIAL SPECS

Commercial-grade 1000 denier PVC with FR and UV ratings, 316 stainless steel components, reinforced crew lifting handles, non-slip surfaces and premium no-rot netting

SET-UP TIME

30 - 60 minutes or more depending on configuration. Requires 4+ crew for set-up

DIMENSIONS

Fully custom — no maximum size. Modular sections stored separately, dimensions vary by section. Weight varies by configuration

ACCESSORIES

Electric Pumps, Storage Wrap, Repair Kit
