

Superyacht Wave Lounger

CUSTOM COVER READY

Optional velcro around the edges allows for custom logo covers to attach and stay in place.

ATTACHMENT D RINGS

D Rings allow you to anchor loungers into the sand on the beach, or attach to the FunAir Floating Island.

COMFORT DESIGN

Flexible and ergonomic, this lounger has a thin, cushy profile with an S-curved contour that rivals any non-inflatable lounge chair.

FunAir's innovative inflatable wave loungers are the perfect addition to your superyacht for the deck, the beach or attaching to the FunAir Floating Island and SeaPools. Fast and easy to deploy, these loungers are easy to set up and store with minimal space requirements.
