

Apex Extreme Slide

SWEEPING SLIDE DESCENT

Fast and exhilarating return to the sea. The generous slide trajectory delivers momentum and excitement from top to bottom.

HANGOUT AREA UNDERNEATH

The sheltered space beneath the slide provides additional social space and shade between water time, creating a secondary entertaining zone within the structure.

MULTIPLE CLIMBING FACES

Challenge guests with numerous climbing routes to the summit. The varied climbing options engage users of different abilities and encourage repeat attempts throughout the day.

REINFORCED DEPLOYMENT SYSTEM

Reinforced triple-ring plates enable secure anchoring and safe crane lifting for flexible deployment.

SEASTAIRS

Patented SeaStairs provide easier access from the water.

The FunAir Apex Extreme Slide is a striking, freestanding inflatable with multiple climbing faces and a sweeping slide. It brings height, energy and excitement to any water set-up, whether positioned off the stern or anchored in a calm bay.
