Beach Loungers

A large white inflatable beach lounger is positioned on a sandy beach. A white umbrella is partially visible on the right. In the background, a jet ski is parked on the sand near the turquoise water. The sky is blue with some clouds, and there is a line of green vegetation in the distance.

FunAir's [inflatable beach loungers](#) are an ideal accessory for your yacht, perfect for beach outings, deck movie nights, or connecting with a FunAir [Floating Island](#).

Quick to set up and simple to transport by tender, these loungers are designed for convenience and require minimal storage space. The Loungers are supplied with covers which can be customised with your yacht's logo for an additional charge.

Wave Chair

The **FunAir Wave Chair** adds comfort and sophistication to any beach day. They provide a superb way to unwind with a comfortable, ergonomic design that caters to yacht owners and charter guests seeking relaxation while enjoying their cocktails in an upright position.

Single Wave Loungers

FunAir **Single Wave Loungers** are an excellent addition to your yacht, perfect for indulgent beach days, movie nights on the deck, or enhancing your poolside experience.

Quick and simple to set up, these loungers are effortlessly transported by tender to the beach and require minimal storage space. The Loungers are supplied with covers which can be customised with your yacht's logo for an additional charge.

Double Wave Loungers

A large, white, inflatable lounge chair with a wavy, ribbed design is positioned on a sandy beach. Two rolled-up white towels with the 'FUNAIR' logo are placed on the chair. The background shows the ocean with waves breaking under a clear blue sky.

The FunAir **Double Wave Lounger** provides plenty of space for two yacht people to relax on the sand during a luxury beach day.

Featuring an S-contour design and a cleverly bolstered base, this lounge offers the ultimate relaxation experience for two charter guests seeking maximum comfort.

Floating Shaded Lounger

The FunAir **Floating Shaded Lounger** is a spacious inflatable beach lounger that also floats on water.

Its detachable, stylish shade provides yacht guests with a comfortable way to relax in luxury while staying protected from the sun, whether on the beach or the ocean.

Floating Shaded Island

The **Floating Shaded Island** brings a social dimension to on-water relaxation. Combining three **Floating Shaded Loungers** with a central Lounger Hub, it forms a spacious six-person island designed for comfort, connection, and style.

Each double-width Lounger features an ergonomic design and detachable sunshade, offering guests the choice to unwind together or drift individually.

Club Chaise

We've combined the finest features of a chaise lounge and a sunbathing daybed to craft the ultimate designer beach setup, the FunAir Club Chaise.

Spacious enough to comfortably accommodate two adults or several children, the Club Chaise offers a perfect balance of support and softness.

Club Chaise Island

The Club Chaise Island combines three signature Club Chaises to form an elegant floating lounge for guests to relax and socialise in style. Each chaise can also be separated for individual use, offering flexibility to suit any on-water setting.

Crafted from premium yacht-quality materials, the Club Chaise Island delivers lasting comfort and refined versatility, enhancing any luxury yachting environment.

Club Chair

Designed with ergonomics in mind for maximum comfort and support, the FunAir **Club Chair** offers charter yacht guests a luxurious alternative to sand-covered towels or stiff wooden deck chairs.

Combining simplicity and versatility, its soft curves create an elegant and tranquil space to unwind.

Corner Sofa

Created for the sophisticated charter superyacht market, the **Inflatable Corner Sofa** offers spacious, comfortable seating for multiple guests, whether arranged on deck or styled as part of a refined beach day setting.

Its lightweight design ensures effortless transport and setup, allowing seamless versatility in any luxury yachting environment.

Club Couch

Designed for luxury superyacht charters, the Club Couch provides generous, comfortable seating for multiple guests, whether positioned on deck or styled as part of an elegant beach day set-up.

Its linear form pairs seamlessly with other beach furniture, delivering lasting comfort and refined versatility in any premium yachting setting.

Inflatable Daybed

The FunAir **Inflatable Daybed** offers the perfect spot for your guests to unwind, whether on the water, at the beach, or during a movie night on the deck.

This double-width inflatable lounger is spacious enough to accommodate couples, a group of kids, or anyone looking to sunbathe in comfort with plenty of room to stretch out and relax.

Beach Bar Classic

Crafted for the luxury charter market, the Inflatable Beach Bar creates a stylish and inviting focal point for any gathering, whether positioned on deck or set up as part of a chic beach experience.

Lightweight yet durable, the bar inflates quickly and packs away with ease, ensuring effortless versatility for crew and guests alike.

Beach Bar Extreme

Designed to elevate any luxury charter setting, the Inflatable Beach Bar Extreme offers an expansive, U-shaped footprint that creates a commanding centerpiece for larger gatherings.

It provides ample space for service, making it the perfect choice for hosting guests in style—whether on deck or ashore as part of a sophisticated beach setup. Despite its impressive scale, the bar inflates quickly and stows compactly, ensuring the same ease of use and versatility crews appreciate.

FUNAIR

Splash Rings

The FunAir Splash Ring is an lightweight inflatable floating ring with a comfortable netted seating area, perfect for taking a break from swimming in the ocean and relaxing in the sun.

Available in a range of sizes to acommodate from one to x number guests, Splash Rings are quick to deploy and can be used off the yacht or during a beach excursion.

Yacht Golf

The FunAir Floating Yacht Golf Green is the ideal target for practicing your swing from the sand during a beach day. It's perfect for honing your skills and enjoying friendly competitions among guests.

Yacht Golf includes an authentic golf pole and flag, and the greens can be customized to match your yacht's livery and logo.

Cube Golf Net

FunAir **Golf Nets** are the result of our partnership with innovative superyacht golf brand **Off the Deck** and are designed for use with their SeaDriveCX portable golf entertainment system. Our Golf Net set up brings the fun of the fairway to superyacht beach days. Compact yet durable, its inflatable frame sets up in minutes to create a safe, enclosed space for guests to practice their swing and enjoy friendly competitions by the shore.

Lightweight and packable, it travels easily with the yacht and stows neatly when not in use, delivering effortless entertainment and sporty fun for charter guests of all ages.

Off the Deck

The **SeaDriveCX** is the world's first golf simulator designed exclusively for superyachts, built in Silverstone by Formula 1 engineers for ultimate durability and precision. Made from F1-grade carbon fibre, it's lightweight, marine-grade, and completely portable—no installation required. Simply plug in, press one button, and play on over 245 world-famous courses or fun family games.

With pro-level accuracy, day-and-night playability, B1E biodegradable golf balls, and a range of customised accessories, including branded golf mats, clubs, bags, and gloves, the SeaDriveCX transforms any deck into an unforgettable entertainment experience for guests and owners alike.

Inflatable SUP

The FunAir **Inflatable SUP** is a great way for your guests to explore the ocean from your yacht or the beach.

Our SUPs are compact and easy to store, available in three options: an 11-foot hybrid board, a sleek 14-foot racing board for flatter water and experienced paddleboarders, and an 18-foot Mega Inflatable SUP for group adventures.

FunAir X DeckTent

The FunAir X DeckTent removable shade is crafted from the same ultra-lightweight materials used in kiteboarding sails, providing UV protection without the bulk of rigid frames.

Its clever design allows for effortless cleaning, packs neatly into a stuff sack, and inflates in just seconds. It is the perfect way to create shade during a superyacht beach day.

FunAir X DeckTent XL

The FunAir X DeckTent XL takes beach day comfort to new heights. Tall enough for adults to stand beneath, this versatile inflatable shade creates a spacious, open environment ideal for relaxing on loungers, preparing food, storing equipment, or simply escaping the sun.

Like its smaller counterpart, it is crafted from ultra-lightweight sail materials, offering durable UV protection without heavy frames. Quick to inflate, easy to clean, and packing down neatly, it ensures effortless functionality and luxury for every superyacht adventure.

Water Mat

The FunAir Inflatable Water Mat is the perfect spot to relax and enjoy time with friends. It inflates quickly and is designed to pack compactly, making it easy to transport to the beach.

The Water Mat surface is comfortable to laze around on or slide into the fun whilst on the water.

FunAir Corn Hole

The FunAir Inflatable Corn Hole is a lightweight, portable twist on the classic game, designed for quick setup and maximum fun. It's perfect for beach days, yacht decks, or any waterside adventure.

Its smart design makes it easy to clean, simple to pack down, and effortless to transport.

Beach Umbrellas

Our luxury beach umbrellas, manufactured by TUUCI, provide elegant shade and protection making them the perfect addition to any superyacht beach setup.

Built with marine-grade components for unmatched style and durability they complement our superyacht beach furniture, ensuring guests can relax in comfort while enjoying the sun and sea.

Inflatable Islands

FunAir **Inflatable Islands** are a great way for owners and guests to indulge in some relaxation out on the water during an awesome beach day.

The Inflatable Island range includes the **Twin Escape**, suitable for two guests, **The Floating Island**, **Floating Shaded Island**, **Floating Oasis Shaded Oasis**, and **Club Chaise Island** which can each seat 6-8 guests, and the **Splash Island**, perfect for relaxing on the ocean or for use as a diving platform.
