

Inflatable Cinema Screen

CLEAR VIEWING SURFACE

Choose between a reflective screen designed for optimal projection or a PVC screen for easy cleaning on the beach. Screens are removable and easily replaced, ensuring long-term durability and flexibility for different hosting scenarios.

FULLY INFLATABLE DESIGN

Self-supporting structure requires no framework or additional support. Available in custom sizes to fit your specific space and requirements. Quick to deploy and position on sand or flat surfaces.

SOCIAL FOCAL POINT

Transforms the beach environment into an evening entertainment venue. Perfect for hosting on the beach, heli deck, pool end, or on FunAir Floating Docks.

The FunAir Inflatable Cinema Screen creates a relaxed open-air cinema experience, ideal for beach movie nights as part of a FunAir beach set-up. Fully inflatable and self-supporting, it deploys quickly on sand and provides a clear, stable viewing surface for guests.
