

FunAir Inflatables

The **Superyacht** Choice

We Make Toys
for your Toys[®]

Yacht Slides

Inflatable Yacht Slides are a specialty of FunAir. We offer fully customised slides and in-stock slides through our QuickShip Program that can be shipped globally in just a few days.

Our designs include Bow Mount, Curved, Riser, Self Lifting, Hanger, Hanger Extreme, Flume and Stern slides.

Climbing Walls

FunAir was first to market with custom designed inflatable climbing walls for superyachts, and has fitted out more yachts than any other company in the industry.

You can choose between water entry or deck entry for your inflatable rock climbing wall, or work with our team on a solution that fits your exact requirements.

Sea Pools

FunAir inflatable Sea Pools bring added luxury and convenience for owners and guests who enjoy swimming out in the ocean during their superyacht experience.

These netted pools provide protection from jellyfish and sea critters with tightly woven netting, and an enclosed area for less experienced swimmers.

Scan Me

Inflatable Islands

FunAir Inflatable Islands are a great way for owners and guests on board their superyacht to indulge in some relaxation out on the water.

The Inflatable Island range includes the Twin Escape, suitable for two guests, The Floating Island and Floating Oasis which can each seat 6-8 guests, and the Splash Island, perfect for relaxing on the ocean or for use as a diving platform.

Beach Furniture

FunAir's innovative inflatable Beach Furniture collection makes beach days opulent and comfortable.

The Beach Collection includes Chaise Loungers and Chairs, the Floating Shaded Lounger with modular hub that allows you to connect three together to make the Floating Shaded Island, single and double Wave Loungers and Wave Chair, our original Beach Loungers and the Day Bed.

Scan Me

Jet Ski Docks

Our inflatable Jet Ski Docks give your yacht a safe place to organise and secure your toys without the need of a drift line.

Our docks can accommodate any type of water toy including sailboats, eFoil, wake boards, tenders, ribs and even sea planes and submarines.

Water Parks

The FunAir Splash Tower and Splash Dome combine action and water play with a shaded space to relax on the water.

Both products have a durable and comfortable trampoline style net that spans the bottom of the inflatable, creating a sit in splash area and cool hang out zone, and can be connected to other FunAir inflatables make up the ultimate FunAir water park.

Golf Nets

FunAir Golf Nets are the result of our partnership with innovative superyacht golf brand Off the Deck and are designed for use with their SeaDriveCX portable golf entertainment system.

The nets are available in two designs and can be customised to fit a variety of deck spaces. A range of customised accessories including branded golf mats, clubs, bags, gloves and balls is also available.

FunFlex

FunAir FunFlex brings together a collection of in-stock FunAir inflatables that seamlessly fit together in different configurations, offering an extraordinary range of captivating on-water adventures.

The yacht's FunFlex configuration can easily be changed by crew based on the preference of your charter guests.
