

FunFlex Modular Superyacht Inflatable System

FunFlex is a groundbreaking superyacht inflatable toy setup that offers crew and charter guests a range of exciting options for enjoyment, tailored to their daily plans. This innovative and versatile system can be easily modified and adjusted to ensure maximum fun and flexibility throughout the day.

The FunFlex yacht toy brings together a collection of in-stock FunAir inflatables that seamlessly fit together in different configurations, offering an extraordinary range of captivating on-water adventures.

Interchangeable and adaptable

FunFlex is a collection of superyacht inflatables that can be set up in any order, in any arrangement, in any number of ways.

Create Extra Space

Choose a FunFlex Swim Platform Extension to create a vast on-water area with a relaxed, beach club vibe.

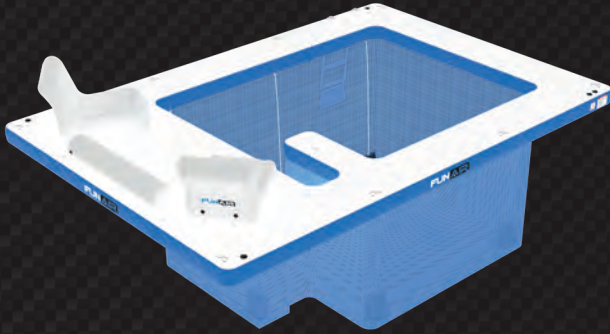

No Drift Lines Needed

The FunFlex Toy Dock is a convenient landing space for guests to jump on their preferred water toy.

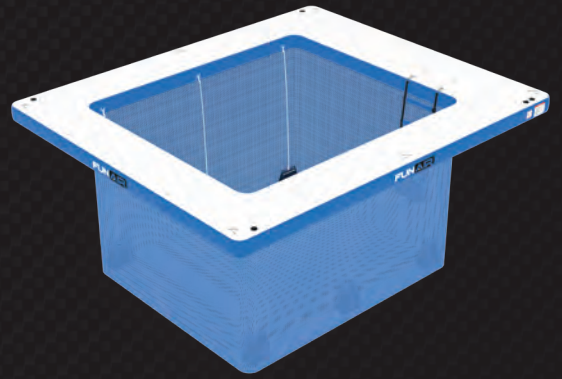

Quick and Easy Setup

FunFlex can be set up in minutes. Once installed, it guarantees hours of entertainment for your guests.
